SUBJECT: AMBASSADOR STRESSES CUTTING OFF FOREIGN FIGHTERS

REF: STATE 92339

Classified By: Ambassador Richard LeBaron for reasons 1.4 (b) and (d).

1. (C) The Ambassador met 3 July with MFA Under Secretary Khalid Al-Jarallah to emphasize the importance of cutting off foreign fighters going to Iraq. The Ambassador emphasized that the foreign fighters make up a majority of the suicide bombers and thus have a disproportionate destabilizing influence. The Ambassador noted that we are raising the matter directly with the Syrian Government and providing specific suggestions. Al-Jarallah agreed that the foreigners are doing great harm and the supply needs to be cut. The Ambassador mentioned the case of Jaber Al-Jalahmah, the Kuwaiti jihadist and U.S.-designated terrorist facilitator, who was detained and questioned by Kuwaiti security last week. The Ambassador said it was important to keep up the pressure on Kuwaiti supporters and facilitators of volunteers for jihad in Iraq, as well as to maintain Arab government pressure on the Syrians to prevent their entry and transit. (The Embassy will continue to follow up this issue with other GOK officials.)
